• Pay your fare or present your season pass upon boarding. Exact change is appreciated.

Bike Aboard! Procedures

To help us efficiently load your bike and remain on schedule you will need to be prepared with the following upon the train’s arrival:

• Know your destination before boarding. We arrange bikes according to stops.
• Remove everything from your bike (Water bottles, helmets, saddle bags, etc.)
• Tag-a-longs must be detached before presenting your bike for loading. Tag-a-longs will be loaded separately.
• Only EMPTY Passenger trailers are accepted.
• Trailers should be detached and all bags and supplies removed before loading.

Motorized Vehicles

CVSR will allow mobility assisted motorized bicycle. However, CVSR reserves the right to refuse to load a motorized bicycle due to weight restrictions. Any bicycle weighing over 40 pounds or that cannot be safely lifted by 2 Bike Aboard employees, will not be permitted on board.
